### “YOUNG ENTREPRENEURS – LEARNING BY EXPERIENCE”

2017- I-LV01-KA219-035443\_5

The Erasmus+, KA2 project “Young entrepreneurs – Learning by experience” was awarded an eTwinning Label by the Central Support Service (CSS), after a screening process. This project was carried out along the school years 2017-2019 in five European schools, more precisely in *Escola Básica e Secundária de Moimenta da Beira*, in *Mazsalacas Vidusskola*, in Mazsalaca (Latvia), in *40 Geniko Kykeio Volou*, in Volos (Greece), in *Sint-Romboutscollege*, in Mechelen (Belgium) and in *Tamsalu Gumnaasium*, in Tamsalu (Estonia). Being awarded this prize was a great joy to both teachers and students from the above-mentioned schools that got involved in it. The online platform eTwinning is the widest community of teachers and schools from all over Europe and consequently it allows the development of projects in international partnerships. It must be added that the eTwinning is co-funded by the Erasmus+ Programme of the European Union.
